

# MD SHAHADAT

Web Developer • MERN Stack • PHP Laravel

+880 1858-838730 | s0735949@gmail.com | South Middle Haliashahar, Chattogram

## ABOUT ME

I am a CSE student and passionate web developer with hands-on experience in both MERN Stack and PHP Laravel. I have completed professional training at Creative IT Institute and Interactive Cares, and am currently gaining real-world development experience through an internship at Creative IT Institute. I focus on building scalable, clean, and user-friendly web applications while continuously expanding my technical skill set.

## EXPERIENCE

### Web Development Intern

March 2026 – Present

Creative IT Institute, Chittagong

- ▶ Working on real-world web development projects using PHP and Laravel framework.
- ▶ Building and integrating backend functionalities including RESTful APIs and database management.
- ▶ Collaborating with senior developers to develop scalable and maintainable web applications.
- ▶ Following best practices of clean code, MVC architecture, and proper project structure.
- ▶ Participating in team meetings and code reviews to improve development workflow.

## PROFESSIONAL TRAINING

### PHP & Laravel Web Development

2025 – 2026

Creative IT Institute, Chittagong

- ▶ Completed comprehensive training on PHP fundamentals, OOP, and Laravel framework.
- ▶ Built projects using Laravel MVC, Eloquent ORM, Blade templating, and RESTful APIs.
- ▶ Learned authentication systems, middleware, database migrations, and file management.

### MERN Stack Web Development

2024 – 2025

Interactive Cares, Online

- ▶ Completed full-stack training covering MongoDB, Express.js, React.js, and Node.js.
- ▶ Developed dynamic single-page applications with React hooks, Context API, and React Router.
- ▶ Built and consumed REST APIs with Node.js/Express and integrated MongoDB database.
- ▶ Practiced state management, JWT authentication, and deployment workflows.

## PROJECTS

### E-Commerce Web Application (MERN Stack)

A full-featured e-commerce platform with product listing, cart management, user authentication (JWT), payment integration, and an admin dashboard. Built with React.js frontend, Node.js/Express backend, and MongoDB database.

**School Management System** *(PHP & Laravel)*

A web-based school management system handling student registration, attendance tracking, result processing, and teacher management. Developed using Laravel MVC architecture with MySQL database and role-based access control.

**Personal Portfolio Website** *(HTML, CSS, JavaScript)*

A responsive personal portfolio showcasing skills, projects, and experience. Features smooth animations, mobile-first design, and a functional contact form.

EDUCATION

Diploma in Computer Science & Engineering

2022 – Present

Daffodil Institute of IT, Chittagong

- Currently enrolled — focusing on software engineering, web technologies, and networking.

Secondary School Certificate (SSC)

2021

Abdul Mabud Grammar School & College, Chittagong

TECHNICAL SKILLS

|              |              |          |            |
|--------------|--------------|----------|------------|
| React.js     | Node.js      | MongoDB  | Express.js |
| PHP          | Laravel      | MySQL    | JavaScript |
| HTML5 / CSS3 | Git & GitHub | REST API | Leadership |
